

SEAHAM HARBOUR NURSERY SCHOOL.

POLICY STATEMENT.

JEWELLERY IN SCHOOL.

Introduction.

Head Teachers of the Schools in Seaham are concerned by the numbers of children who come to school wearing items of jewellery and they have agreed to implement the following policy.

Principles.

Jewellery presents problems of health and safety in general play situations. Earrings, rings, necklaces and bracelets are all potentially dangerous.

Lost or damaged jewellery can be the cause of distress to both children and parents.

Implementation.

When children are admitted to nursery, parents will be asked to ensure that no jewellery is worn by children.

They will be informed of this policy through the school brochure, at open night and at their child's induction day.

Review.

Review will be part of an on-going process through observation and discussion in the context of changing circumstances and opportunities.
